GENERAL TIPS FOR FINDING SCHOLARSHIPS

Use scholarship search engines:

- [Fastweb.com](https://www.fastweb.com)
- [Scholarships.com](https://www.scholarships.com)
- [CollegeBoard.org](https://collegeboard.org)

Talk to your university's financial aid office—they often have institutional scholarships that go unclaimed.

Apply even if you think you won't get it. Many scholarships have fewer applicants than you'd expect.

Look for local scholarships (community foundations, rotary).
